

YOU'RE INVITED!!

FRIDAY, OCTOBER 21, 2017

**READY FOR LIFE AT HOPE COLLEGE
- VISIT DAY -**

100 East 8th street Holland, MI 49423

If you are currently a high school junior or senior with special needs looking for an inclusive college transition program, please bring your parents and check out the Ready For Life program at Hope College! The *Ready For Life Academy* is specifically designed for college-aged students with special needs. Throughout the visit you will meet our inspirational instruction staff and Hope College student mentors, tour the Hope College campus, and meet current students. Your parents will also be given a comprehensive overview of the application process.

This is simply an opportunity for you to appreciate why the *Ready For Life Academy* is unlike any other post high school transition program offered in Michigan. We strive to educate and motivate students for a life of independence and self-worth!

Please let us know if you are planning to attending.

Schedule

9:30am: Meet and Greet
